All cooking will occur in the designated area under tents near the gazebo on the riverfront. Presentations must be done on site. The judging will occur at 11:00 am sharp at the gazebo. The grills will be available at 9:00am and children can start their charcoal at any point thereafter.

Suggested items to bring include: a spray water bottle for flames, paper towels, spatulas/tongs/forks, knife for slicing cooked meat, cutting board, oven mitts, a meat thermometer and all garnishments.
